

8020 BIO

**TRAVIS KANAFANI**

Sr. Managing Director

#### About Travis Kanafani

Travis has more than 15 years of experience in corporate finance and strategy consulting helping clients navigate through complex financial issues and transactions. Travis currently serves as the Managing Director of Business Development at 8020 Consulting and focuses his time developing and maintaining client relationships with finance and accounting leaders in both middle market and Fortune 1000 companies. Prior to joining 8020 Consulting, he served as a Director of Finance at FTI Consulting specializing in providing turnaround, restructuring and transaction related services. His diverse industry experience includes entertainment, automotive, real estate, healthcare, gaming, food and beverage, financial services, and technology. His core competencies include strategic planning, financial modeling, forecasting and budgeting, corporate restructuring, due diligence, post-merger integration, valuation, financial statement preparation, and operational planning. He holds an M.S. in Finance and Accounting from the University of San Diego and a B.S. in Accountancy from the W.P. Carey School of Business at Arizona State University. He is an active CPA in California and a Certified Insolvency and Restructuring Advisor.
